

School of Nursing

MASTER OF NURSING SCIENCE COURSE SELECTION

Name:

Student ID number:

Program/Plan of study:

To help plan your academic load for the Master of Nursing Science, please indicate below the **option** you wish to take and your selected courses. This does not mean you cannot change your course options. Please contact the Program Coordinator, <u>Dr Philippa Rasmussen</u>, to discuss your selection on 08 8313 3595. *Note: if you are intending to complete a named Masters (i.e. Master of Nursing Science (Emergency Nursing)) or progress to a PhD, you will need to select Option 1.*

The Master of Nursing Science Program Flyer, with more information on the courses, can be found on <u>Degree Finder</u>. Course information and details can be found on <u>Course Outlines</u>.

Please select courses from the following options: 7021A Research Part I (3 units – compulsory) 7021B Research Part II (3 units – compulsory) 7021C Research Part III (3 units – compulsory) 7021D Research Part IV (3 units – compulsory) 7021D Research Part IV (3 units – compulsory) 7021D Research Part IV (3 units – compulsory) 7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only) 7102OL Research Literacy* (3 units) 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 1 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I 7215 Neuro Science in Nursing II	🗌 Opt	Option 1 – 12 unit research dissertation, one compulsory and 9 units from elective courses:		
7021B Research Part II (3 units – compulsory) 7021C Research Part III (3 units – compulsory) 7021D Research Part IV (3 units – compulsory) 7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only) 7102OL Research Literacy* (3 units) 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I	Please select courses from the following options:			
7021C Research Part III (3 units – compulsory) 7021D Research Part IV (3 units – compulsory) 7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only) 7102OL Research Literacy* (3 units) 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 715OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I		7021A Research Part I (3 units – compulsory)		
7021D Research Part IV (3 units – compulsory) 7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only) 7102OL Research Literacy* (3 units) 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I		7021B Research Part II (3 units – compulsory)		
7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only) 7102OL Research Literacy* (3 units) 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I		7021C Research Part III (3 units – compulsory)		
7102OL Research Literacy* (3 units) 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I		7021D Research Part IV (3 units – compulsory)		
 7012OL Systematic Reviews of Research (3 units) 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I 		7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only)		
 7011OL Leadership & Management in Nursing (3 units) (Semester 2 only) 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I 		7102OL Research Literacy* (3 units)		
 7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only) 7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only) 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I 		7012OL Systematic Reviews of Research (3 units)		
Image: Construction of the second		7011OL Leadership & Management in Nursing (3 units) (Semester 2 only)		
 7124OL Management of Chronic Illness (6 units) (Semester 1 only) 5109 Introduction to Evidence Based Practice (6 units) 6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I 		7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only)		
Image: State of the state		7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only)		
6205 Mental Health (6 units) (Semester 1 only) 7214 Neuro Science in Nursing I		7124OL Management of Chronic Illness (6 units) (Semester 1 only)		
7214 Neuro Science in Nursing I		5109 Introduction to Evidence Based Practice (6 units)		
		6205 Mental Health (6 units) (Semester 1 only)		
7215 Neuro Science in Nursing II		7214 Neuro Science in Nursing I		
		7215 Neuro Science in Nursing II		

OR

Option 2 – 6 unit Systematic Review Project, two compulsory and 12 units from elective courses:

Please select courses from the following options:		
	7013OL Systematic Review Project (6 units - compulsory)	
	7012OL Systematic Reviews of Research (3 units – compulsory)	
	7002 Interpretive & Critical Research in Health (3 units – compulsory) (Semester 1 only)	
	7011OL Leadership & Management in Nursing (3 units) (Semester 2 only)	
	7015OL Applied Pharmacology in Nursing (3 units) (Semester 2 only)	
	7003OL International Issues in Nursing Service Delivery (3 units) (Semester 2 only)	
	7102OL Research Literacy* (3 units)	
	7124OL Management of Chronic Illness (6 units) (Semester 1 only)	
	5109 Introduction to Evidence Based Practice (6 units)	
	6205 Mental Health (6 units) (Semester 1 only)	
	7214 Neuro Science in Nursing I (6 units)	
	7215 Neuro Science in Nursing II (6 units)	

* Should be undertaken if not completed in Graduate Diploma in Nursing Science
