

Study Plan

GRADUATE DIPLOMA / MASTER OF NURSING SCIENCE (MENTAL HEALTH NURSING) 2016

This study plan should be used to guide enrolment for the current academic year. Some students may need to modify their enrolment based on the previous study (i.e. students granted advanced standing/credit, students repeating previously failed courses). Any deviation from this study plan must be discussed with the Speciality Coordinator.

Part-time pathway

| Year | Semester 1 | Units | Semester 2 | Units |
|------|--|-------|---|-------|

| 2017 | NURSING 7100EX Knowledge Translation* | 3 | | |

*Course offered in alternative semester

^Course not available in current year

Course availability: all courses offered in a particular year can be viewed on the Course Planner. If enrolment numbers for a particular course are less than the minimum specified by the School, the School is not bound to offer that course. Any students wishing to enrol will be counselled about suitable alternatives. The availability of courses may also be conditional upon the availability of staff and resources.
