

## Study Plan

### GRADUATE DIPLOMA / MASTER OF NURSING SCIENCE (ORTHOPAEDIC NURSING) 2016

This study plan should be used to guide enrolment for the current academic year. Some students may need to modify their enrolment based on the previous study (i.e. students granted advanced standing/credit, students repeating previously failed courses). Any deviations from this study plan must be discussed with the Specialty Coordinator.

#### Part-time pathway

Due to the structure of the courses, the following pathway must be undertaken if not studying full-time:

Year	Semester 1	Units	Semester 2	Units
2016	<a href="#">NURSING 7141</a> Orthopaedic Trauma Nursing	3	<a href="#">NURSING 7143</a> Therapeutic Management of the Orthopaedic Patient	6

^Course not available in current year

Course availability: all courses offered in a particular year can be viewed on the Course Planner. If enrolment numbers for a particular course are less than the minimum specified by the School, the School is not bound to offer that course. Any students wishing to enrol will be counselled about suitable alternatives. The availability of courses may also be conditional upon the availability of staff and resources.
